

... vielen vielen Dank für die Organisation und Ausrichtung des Fachtages heute. Es war ausgesprochen kurzweilig und der Ertrag für den Unterricht ist durch die Praxisorientierung sehr hoch. Bill Brodies Einstieg war amüsant und lehrreich und ich fand es fast schon schade, dass wir am Ende nicht noch einmal im Saal zusammengekommen sind, um uns entsprechend zu bedanken. Sie haben eine für uns sehr nützliche Veranstaltung ermöglicht und die Atmosphäre in den Workshops war angenehm und auch produktiv.

Der große Aufwand, den Sie zweifelsohne hatten, hat sich aus unserer Sicht also definitiv gelohnt. Danke

Bill Brodie delivered an unforgettable lecture. His excellent command over the subject and the ability to address the need of each German prospective teacher at the classroom made him outstanding ... He was on good terms with specialist teachers at the Institute and, more importantly, liked by the prospective teachers for his humor and his perfect German-English translations of the idioms

Bill Brody's lecture on cultural interchange was informative and powerful in its line of thought. He underlined his arguments with many interesting examples. It was a pleasure to meet him.

Dear Mrs R...,

as I really enjoyed Bill Brodie's lecture on the role of intercultural competence in English teaching a few weeks ago, would you kindly pass on my thanks to him for his excellent talk and the many tips he had to offer? On a side note I would like to add that I would be really interested in further opportunities to attend such events in the future, as they surely are a nice addition to our standard seminar sessions.

Yours sincerely,

Thies B
